UNITED STATES POSTAL INSPECTION SERVICE

OFFICE OF THE CHIEF POSTAL INSPECTOR

October 8, 1999

Mr. Fred W. Mauney
235 South Rio Grande Street
Salt Lake City, UH 84101-1105

Dear Mr. Mauney:

We received and reviewed your request for a postal reward. We noted that along with this request you sent a copy of the newspaper article on the murder of Mr. Lee Parker. Mr. Parker was not officially employed when murdered. The photo with the article shows that Mr. Parker was in his personal vehicle, not a postal vehicle. This detail was brought to your attention for the following reason: on the attached Notice of Reward, "Murder or Manslaughter" is listed as "The unlawful killing of any officer or employee of the Postal Service *while engaged in or on account of the performance of their official duties.*"

Mr. Mauney, we do appreciate your efforts, time and assistance with helping the police solve the murder of Mr. Parker. Unfortunately because Mr. Parker was not on duty our Reward Program can not compensate for your actions. We hope you understand our position on this matter.

Sincerely,

F. J. Marron
Acting-Deputy Chief Inspector
Criminal Investigations
